digi-Color Named Houston's Second-Fastest-Growing Woman-Owned Business

Houston, TX (October 23, 2007): digi-Color, LP, a leading provider of fulfillment, mailing and digital printing services, announced today that the company was recently recognized as the second-fastest-growing woman-owned business in Houston, Texas in the August 24, 2007 issue of Houston Business Journal. digi-Color is a WBEA-Certified business, a member of the Women's Business Enterprise National Council and a Texas HUB company.

"We're very proud to be recognized as one of Houston's fastest-growing woman-owned businesses," said Barkla Tully, digi-Color's founder and president. "When we launched the company in 2004, our team made a commitment to providing the highest level of quality products, courteous service and cutting-edge technology that would enable us to be competitive in a global economy and become one of the premier fulfillment, mailing and digital printing companies in the country. Today, our growing base of local, regional, national and international clientele is helping us make that dream come true."
